

Product Comparison Chart

Product	Unit Weight	Machine Dimensions (WxDxH)	Platform Dimensions	Max Load	Time	Frequency/Amplitude	Certifications	Warranty	Precision Wave Technology™	Dual Sync™ Motors	proMOTION™ Technology
 <p>Personal Consumer</p> <p>Compact, light-weight and column-free, set frequency of 35Hz, 30 or 60 second timer and remote control.</p>	36lb 17kg	28in x 19in x 7in 70cm x 48cm x 17cm	28in x 19in 70cm x 48cm	264lb 120kg	30/60 sec	35Hz Low/High Amplitude	CE, PSE, UL, cUL, FCC ID, IC ID, TELEC RF	1 yr hardware 1 yr electronics 1 yr labor	✓		
 <p>my3 Consumer</p> <p>The trimmest, most economical model. Most compact platform surface.</p>	115lb 52kg	30in x 25in x 61in 64cm x 76cm x 155cm	25in x 17in 64cm x 42cm	264lb 120kg	30/60 sec	35Hz Low/High Amplitude	CE and EMC CB RoHS/WEEE FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓		
 <p>MOVE Consumer</p> <p>The perfect combination of size and function with a simple and intuitive display with large, easy-to-understand buttons and a digital timer. Available in red or silver.</p>	87lbs 39.5kg	30in x 24in x 9in 77cm x 61cm x 23cm	30in x 24in 77cm x 61cm	300lb 136kg	30/60 sec; counts up from 0-9 minutes	6 levels (30-40Hz, High/Low Amplitude)	CE, UL pending	3 yrs hardware 1 yr electronics 1 yr labor	✓		
 <p>my5 Consumer</p> <p>More frequency options, larger plate surface for more maneuverability, quick start buttons and a remote control.</p>	151lb 68kg	27in x 36in x 58in 68cm x 92cm x 148cm	27in x 28in 68cm x 72cm	300lb 136kg	30/60 sec	30-40Hz 5 Hz increments Low/High Amplitude	CE and EMC RoHS/WEEE CB NRTL C-NRTL PSE MDD Certified FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓		
 <p>my7 Consumer / Light Commercial</p> <p>Features Advanced Vibration Technology™ and an integrated touch screen computer complete with coaching tips to guide you.</p>	295lb 134kg	33in x 39in x 59in 84cm x 98cm x 150cm	33in x 29in 84cm x 74cm	350lb 159kg	30, 45 or 60 sec / up to 9 min	30-40Hz 5 Hz increments Low/High Amplitude	CE and EMC RoHS/WEEE CB NRTL C-NRTL PSE MDD Certified FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓	✓	✓

Product	Unit Weight	Machine Dimensions	Platform Dimensions	Max Load	Time	Frequency	Certifications	Warranty	Precision Wave Technology™	Dual Sync™ Motors	proMOTION™ Technology
 <p>pro5 Commercial</p> <p>Features include a user - friendly interactive display, secondary timer and controls, and larger plate surface.</p>	328lb 149kg	34in x 43in x 61in 87cm x 109cm x 155cm	34in x 37in 87cm x 93cm	400lb 182kg	30, 45 or 60sec / up to 9 min	25-50Hz 1Hz increments Low/High Amplitude	CE and EMC RoHS/WEEE compliant CB, NRTL C-NRTL PSE MDD Certified FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓	✓	
 <p>pro5HP Commercial</p> <p>Designed to meet the needs of the world's most high intensity athletes. Allows for 360 degree range of motion around the surface. Remote control included.</p>	396lb 180kg	38in x 46in x 12in 96cm x 116cm x 30cm	32in x 37in 81cm x 95cm	500lb 227kg	30, 45 or 60 sec / up to 9min	25-50Hz 1Hz increments Low/High Amplitude	CE and EMC RoHS/WEEE Compliant CB NRTL C-NRTL PSE MDD Certified FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓	✓	
 <p>pro7 Commercial</p> <p>Features an LCD touch screen with Functional Interactive Training (F.I.T) software, and the largest platform available</p>	410lb 186kg	38in x 46in x 61in 96cm x 116cm x 155cm	38in x 32in 96cm x 81cm	500lb 227kg	0 - 9 minutes (15 second increments)	25-50Hz 1 Hz increments Low/High Amplitude	CE and EMC RoHS/WEEE CB NRTL C-NRTL MDD Certified FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓	✓	✓
 <p>pro7HC Commercial</p> <p>Features integrated LCD touch screen video programs focused on neuro health, pain relief and common conditions. Also has a heart rate monitor, range of motion tracking and power output display.</p>	410lb 186kg	38in x 46in x 61in 96cm x 116cm x 155cm	38in x 37in 96cm x 95cm	500lb 227kg	0 - 9 minutes (15 second increments)	25-50Hz 1HZ increments Low/High Amplitude	CE and EMC RoHS/WEEE CB NRTL C-NRTL PSE MDD Certified FDA listed as Class 1 device, 510k exempt	3 yrs hardware 1 yr electronics 1 yr labor	✓	✓	✓
